THE ART OF WATER

THE ART OF WATER

HamatUSA is a division of Hamat Group, Israel's largest plumbing fixture manufacturer. Hamat Group specializes in the manufacturing of a wide selection of designer products for the kitchen which include Faucets, and kitchen sinks made from Stainless Steel, Fireclay, Granite Composite, Porcelain Enameled Steel, as well as a wide selection of sink accessories.

For roughly 75 years Hamat Group has been a top private label faucet and Fireclay producer for many leading manufacturers across the globe. Hamat Group products are now available in the HamatUSA collection. Hamat Group currently has multiple state-of-the-art manufacturing plants in Israel and Turkey that incorporate all facets of the Faucet and Fireclay production. Hamat Group maintains all US standards and is constantly investing in new technologies and innovative designs remaining at the forefront of form and function.

Type 304 Premium Stainless Steel

HamatUSA sinkware is made from durable Type 304 stainless steel, an optimal mix of nickel and chromium, making our sinkware exceptionally resistant to corrosion and stains for the life of the product. It provides a hygienic, scratch-resistant and resilient surface that requires minimal care and maintenance.

SpexEdge

A beveled edge on the outer rim of select undermount sinks provides increased structural rigidity for the entire sink span and creates a smooth and finished look. SpexEdge is found only on HamatUSA sinks.

StoneShield Undercoat Protection

A marble powder based undercoating specially formulated and applied over pads. It reduces the noise of clattering dishes and running water. It also prevents condensation and thermally insulates your sink keeping hot soaking water hot for a longer period.

Sound Deadening Pads

Made of natural rubber, Sound Deadening Pads help reduce the noise of clattering dishes and running water. It is a common feature to all HamatUSA sinks.

TotalGuard+

An exclusive feature to our Rendezvous, Contrive, Hudson, Axiom and Prizm Collections. This complete wrapping of rubber pad insulation ensures thermal insulation, prevents condensation, and optimal noise reduction making them some of the quietest sinks available today.

CuVerro Shield™

White Copper – a new solid antimicrobial finish. This new PVD finish continuously kills 99.9% harmful bacteria such as MRSA Staphylococcus, E Coli, and VRE within 2 hours.

Limited Lifetime Warranty

Almost all HamatUSA sinks are covered by an industry-leading Limited Lifetime Warranty to the original purchaser against any possible defects in materials and workmanship. Two groups – our Cerasteel and Enterprise Collections – are covered with a 10-year limited warranty. We are not satisfied unless our customers are completely satisfied with our products.

ASME A112.19.3-2008

How to select the ideal sink for your needs.

Your Kitchen Style

Start by asking yourself whether your kitchen is traditional, transitional, rustic, or contemporary. Then determine the shape, size and features that will best suit your style of living and everyday needs. HamatUSA sink designs vary with each product family, so you’re sure to find one that’s just right for your kitchen, lavatory or prep area.

Material

HamatUSA sinks are available in Stainless Steel, Porcelain Enameled CeraSteel, Chelsea Fireclay, and SiOStone Granite Composite. Each material has it’s own performance features and distinct look.

Check Your Measurements

Choose the right sink to fit your cabinet. Sink measurements and minimum cabinet sizing are shown with each sink in this catalog.

Installation Styles

Undermount sinks are best for stone or solid surface countertops. They are mounted from the underside of the counter, leaving a zero-barrier counter surface to sweep scraps and crumbs into the sink. Topmount sinks are best if your countertop is a laminate with a pressedwood core or with solid surface countertops. With topmounts, the sink’s bowl drops into a hole in the countertop and rests on the perimeter.

Number of Bowls

How will you be using your sink? A serious home-chef may want several deep bowls to accommodate stockpots and roasting pans. If you’ll be using your sink primarily for rinsing dishes, a single bowl of moderate depth will suffice. When in doubt, a large and deep single bowl is the best choice.

Depth of Bowls

Deeper bowls in the 9” range will accommodate large pots and allow you to thaw larger food items. Deeper bowls also mean less splashing. Shallow bowls down to 5” are ideal for food preparation and will also accommodate a garbage disposer.

Prep Sink

A well-placed prep sink in a busy kitchen can noticeably improve flow and efficiency and can also double as a bar-sink in other areas of the house. Prep sinks of various depths and shapes can be found built-in on many HamatUSA models or purchased separately for other locations like a countertop island.

CORNER

THE ART OF SCIENCE

It's never been more important to combat harmful bacteria and other microbes in the kitchen and bathroom. HamatUSA is proud to introduce White Copper - a new solid antimicrobial finish. Our new lavatory faucet - Clear - and our Gal pull down faucet are available in Polished and Brushed White Copper, created by incorporating Cuverro Shield™ into our finishing process. This new PVD finish continuously kills 99.9% harmful bacteria such as MRSA Staphylococcus, E Coli, and VRE within 2 hours.

These anti-bacterial properties work 24/7 and never fade or wear away. Easy to maintain, White Copper is tarnish-resistant and will not oxidize and turn green like pure copper. And because HamatUSA's faucets in White Copper are both antimicrobial and bactericidal, they KILL bacteria - not just inhibit bacterial growth.

HamatUSA White Copper Finish offers:

- Cuverro Shield™ Antimicrobial finish
- Antimicrobial protection that kills 99.9% of harmful bacteria such as MRSA Staphylococcus, E Coli, and VRE within 2 hours.
- A PVD finish that is permanently bonded to faucet and will not come off, tarnish or oxidize.
- Easy maintenance and durability.

THE ART OF FAUCETS

HAMATUSA

HamatUSA's parent company Hamat Group, has been making faucets in Israel for over 75 years. Quality is Hamat's main focus and commitment. Every step in the manufacturing process takes place in our factory – from creating the initial castings to final inspection and packaging. Hamat combines the watchful eyes and hands of old-world craftsmanship with the latest in new-world computerized robotics to produce new faucets with precision and durability.

Working with leading international designers to identify and initiate new trends, as well as improve upon our existing designs, HamatUSA faucets cover the range of design and price points to meet any style and budget. We bring both function and style to you with every faucet we produce.

Every faucet carries our limited lifetime warranty, so that from sale, to installation, and through use, you know that HamatUSA is here to make sure your products provide you with outstanding performance.

ACCESSORIES

Accessories that offer form and function

HamatUSA offers a variety of accessories that complement our sinks and faucets to complete the functionality of your kitchen. All of our Fireclay, Stainless, SioStone, and Cerasteel sinks have an optional matching bottom grid to protect the sink surface, and we offer cutting boards for most of our stainless sinks as well. Rinsing baskets and colanders are also available for many models.

Our most popular accessory – the Universal Roll-up Mat – works with most sinks and converts your sink basin into a functional drying area. Along with our soap dispensers, our sink basket strainers are now available in a variety of PVD metal finishes to coordinate with most HamatUSA faucet finishes.

CUTTING BOARD

Rubberwood is a light-colored medium-density tropical hardwood obtained from the Pará rubber tree (*Hevea brasiliensis*), usually from trees grown in rubber plantations. Rubberwood is commonly known as the "environmentally friendly" wood, as it makes use of plantation trees that have already served a useful function.

Chelsea Fireclay Apron-Front Farmhouse & Undermount Sinks

Our Fireclay sinks combine old-world hand craftsmanship with modern-age technology. In our own state-of-the-art factory, artisans work alongside computercontrolled robotics to complement and monitor every step of fabrication. The result is a highly efficient and high-quality production process. This includes advanced injection pressure molding, handbrushing and sponging, 48 hours of curing, robotic glazing, and firing for over 20 hours in one of our several industrial kilns at 2200°.

HamatUSA Fireclay offers:

- Outstanding value and quality
- Higher durability with more densely packed material
- New range of undermount sinks with tight-radius corners
- Super-smooth surfaces with little rippling or texture
- Apron-front sinks with larger basins than most others
- Designs that compliment traditional and modern kitchens
- A full range of undermount single and double bowl sinks
- A full range of apron-front single and double bowl sinks
- Unique finishes including matte black, matte gray and marble
- Sinks that are chip, crack and scratch resistant
- Lead-free and all-natural material
- Limited Lifetime Warranty

Printed colors of materials and metal finishes are depicted as accurately as possible. Please see your HamatUSA Dealer for actual material and finish samples.

THE ART OF CeraSteel

CeraSteel Porcelain Enameled Steel Sinks

A splash of color brings your kitchen and bar alive. Our CeraSteel collection is perfect for anyone looking to add some fun, whimsy or even a little “mid-century modern” feel to their home. With a bright finish yet durable 16-gauge steel core, these sinks are solid yet stylish. We coat every sink twice with enamel - and the sink is fired at 1500° after each application. The heat bonds the coatings with the metal to create a high-shine finish that is resistant to impact, heat, stains, chips, scratches and even germs.

HamatUSA CeraSteel offers:

- Weight that is 65% lighter than cast iron enameled sinks
- Resilient 16-gauge steel core
- Non-porous surface
- Finishes that are stain, chip and scratch resistant
- 8 distinctive colors
- Easy undermount installation
- 5 year limited warranty

Printed colors of materials and metal finishes are depicted as accurately as possible. Please see your HamatUSA Dealer for actual material and finish samples.

SiOStone Granite Sinks

HamatUSA also has a range of sinks to give a more natural look and feel to your kitchen without intensive and costly maintenance natural stone requires. With over 30 years of experience and development, SiOStone has evolved to become one of the most durable materials for sink fabrication.

HamatUSA SiOStone offers:

- Silky smooth finish yet 3x harder than natural granite
- 80% quartz composition
- Non-porous surface that is tough and scratch resistant
- Heat and thermal shock resistant to over 500°F
- A full range of undermount and drop-in sinks
- Resistant to chemicals
- Naturally anti-microbial and inhibits the growth of bacteria
- UV-stable and food safe
- Easy to clean
- 6 Distinct Colors
- Limited Lifetime Warranty

Printed colors of materials and metal finishes are depicted as accurately as possible. Please see your HamatUSA Dealer for actual material and finish samples.

By carefully curating over 20 product suites, HamatUSA provides one of the most comprehensive collections of stainless steel sinks available in the US market. As a result, we have stainless sinks for every budget. Whether it's residential construction, large commercial projects, or small renovations, we have the sink for you.

Several sink collections (Prizm, Axiom, Rendezvous, Hudson and Contrive) are hand-folded and welded – not stamped like many stainless sinks today. In addition to using large sound deadening pads and full undercoating, we also wrap each of these sink with extra padding for even quieter performance.

All of our other stainless sinks come in almost every configuration and size available – and include the full undercoating and large sound deadening pads. We even offer hard-to-find items such as corner sink and triple bowl options as well as ADA options for many of our collections.

If you need a stainless steel sink that is not in our catalog, we invite you to contact us to see if we can make it for you.

All HamatUSA stainless steel sinks feature:

- T-304 Stainless Steel
- StoneShield Undercoating over large size Sound Deadening Pads
- TotalGuard+ Insulation on all Zero radius and 10mm radius sinks
- Limited Lifetime Warranty*

*10 year limited warranty on Enterprise Collection

LIMITED LIFETIME WARRANTY

HamatUSA offers the following warranties effective from the date of purchase that its products are free from manufacturing defects in material and workmanship and that they will not fail under normal residential use:

- Faucets - Limited Lifetime Warranty.
- Accessories - 1 Year Limited Warranty
- Fireclay Sinks - Limited Lifetime Warranty
- Granite and Copper Sinks - Limited Lifetime Warranty
- Enterprise Collection - 10 Year Limited Warranty
- CeraSteel Collection - 5 Year Limited Warranty
- All other Stainless Sinks - Limited Lifetime Warranty

“Lifetime” is defined as the period which the original consumer owns the home in which the HamatUSA “product(s)” are installed. If any product proves to be defective during the warranty period to the original owner, HamatUSA will provide, at its option, free of charge replacement parts or will replace the product.

This warranty does not cover parts or finishes that have been improperly installed, damaged, subjected to misuse, abuse or used in a location other than a residential indoor kitchen.

Faucet(s) subjected to abrasive cleaning, such as scratching or scuffing, or corrosive agents, including, but not limited to, bleach, ammonia or alcohol are not covered by this warranty.

Sink(s) subjected to improper installation or modification of original product, damages resulting from abuse, such as scratches that occur from, but not limited to, dropping heavy objects, scrubbing with steel wool, use of abrasive pads or cleaners are not covered by this warranty. Improper application such as exposure to corrosive chemicals and photographic solutions voids this warranty.

The warranty does not cover shipping costs, labor costs or any other costs associated with the installation or replacement of the sink, faucet or part(s) and are extended only to the original consumer, who purchased the product. HamatUSA, at its discretion, may repair or replace the product or product component part(s) necessary to restore the product to good working condition.

HamatUSA reserves the right to inspect the installation prior to actual replacement of the product or component part(s). The warranty applies only to the original owner, providing the product has been installed in accordance with the installation instructions, used as recommended and installed in a residential indoor application.

HamatUSA is not responsible or liable for indirect, special or consequential damages arising out of or in connection with the use or performance of the product and its liability under this warranty is limited to replacement of the defective material.

The manufacturer makes no additional warranties, expressed or implied, and any implied warranty including that of merchantability or fitness for a particular purpose, is limited in its duration to the duration of the written limited warranties set forth herein.

Some states or provinces do not allow the exclusion or limitation of incidental or consequential damages or limitation on the duration of an implied warranty, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and may also offer other rights, which may vary from state to state, or province to province.

All HamatUSA Accessories: 1 year warranty

COMMERCIAL LIMITED WARRANTY

HamatUSA WARRANTS ITS PRODUCTS INSTALLED IN A COMMERCIAL APPLICATION TO BE FREE OF MANUFACTURERS DEFECTS FOR A PERIOD OF ONE YEAR. DURING THIS ONE YEAR PERIOD THE WARRANTY WILL BE TREATED AS WRITTEN IN THE RESIDENTIAL GUIDELINES ABOVE, FOR A PERIOD OF ONE YEAR.

To obtain Warranty service, Residential or Commercial, please contact:

TERMS & CONDITIONS / CUSTOMER SERVICE

Prices

Prices and specifications are subject to change without notice.

Invoices

Orders are processed with credit agreement on file and invoiced at the current price the day the order is received. Acknowledgment of order is faxed or e-mailed to customer prior to shipping.

Freight

All orders are F.O.B. within contiguous US 48 states, unless otherwise noted. Please see Flat Rate Shipping Schedule for shipping cost for orders less than \$1,900 net. All orders with an invoice value of \$1,900.00 or more shipped Full Freight Allowed (FFA).

Payments

All payments are due net 30 days from invoice date with approved credit. A finance charge of 1.5% per month, or 18% per year will be added to all accounts 30 days past invoice date. Payments by credit card will be subject to a 3% processing fee.

Taxes

Federal, state, or local taxes, where applicable, will be added to invoices.

Returns

All returns must have an accompanying Returned Goods Authorization (RGA), authorized by HamatUSA. A copy of the invoice and reason for return must be supplied prior to authorization. All items must be in original packaging and in re-saleable condition. Returns should be sent within 30 days of authorization, Freight Prepaid by sender; sender assumes all responsibility for damages that may occur. 30% restocking fee applies to all authorized non-warranted returns, if returned within six (6) months. Any returns after this period shall be subject to a 50% restocking fee. Credit will be issued after receipt of merchandise in original packaging and subject to re-saleable condition. No product shall be returned after one (1) year. Replacement shipments for non-defective returns such as buyers remorse are subject to incur normal freight charges, FOB.

Claims

Any damages, missing, or shortages must be reported to the carrier for claim. Hidden shortage claims must be reported to HamatUSA immediately. Some exceptions may apply, see your local Sales Representative.

Customer Service Contacts

Phone: 833.33HAMAT or 833.334.2628
FAX: 609.584.1931
Office Hours: Monday thru Friday, 8:00am–5:00pm EST Website: www.HamatUSA.com
Email: Sales@HamatUSA.com

Orders

All orders received are subject to acceptance by HamatUSA according to the terms and conditions. Acknowledgments will be sent via email or fax prior to shipping.

P0/Order Submission:

Email: orders@HamatUSA.com Fax: 609.584.1931
Specifications and electronic templates (DXF File) can be downloaded from our website or by contacting customer service.

Shipping

Orders for stock product normally ship within 24 to 72 hours. Please allow additional 24 hours for extra faucet hole drilling. Lead time for special order and non-stocked items depends on items and factory lead times.

Packaging

Single Box Pack—part number with a suffix of (-1) indicates a Single Box. Pallets of Boxed Units are usually 16 pieces, check your model for exact quantity. HamatUSA boxed sinks get double protection, using a protective cardboard sleeve or vinyl bag depending on the model, and a heavy duty exterior carton. Templates, instructions, and mounting clips are included.

Nested Bulk Pack—part number with a suffix of (-20) indicates standard pallet quantity of Nested Bulk Pack. HamatUSA bulk nested models are vinyl bagged or wrapped in a soft, durable liner called Kimlon®, followed by a protective cardboard outer sleeve, and finally given extra packing support with commercial grade styrofoam corner protectors. Templates, instructions, and mounting clips are included.

Optional Accessories Wire Grate / Bottom Grid

In-the-sink Bottom Grid, Custom designed to fit specific sink model.

Optional Accessories RUBBERWOOD CUTTING BOARD

Rubberwood is a light-colored medium-density tropical hardwood obtained from the Pará rubber tree (Hevea brasiliensis), usually from trees grown in rubber plantations. Rubberwood is commonly known as the "environmentally friendly" wood, as it makes use of plantation trees that have already served a useful function.
