HOUZER®

Catalog and Price Book

Effective September, 2025

The background is a detailed architectural drawing of a building's floor plan, rendered in a light blue line-art style. The drawing includes various rooms, corridors, and structural elements. A large, semi-circular feature, possibly a staircase or a large window, is prominent on the left side. In the foreground, a large, rectangular area is outlined, containing a circular feature with a crosshair. A ruler is visible at the bottom of the image, with markings in inches and centimeters. The ruler is labeled "1 INCH", "STAINLESS", and "2". The entire image is overlaid with a solid blue color, creating a monochromatic effect.

* Apron front sinks require custom cabinet base

Type 304 Premium Stainless Steel

HOUZER sinkware is made from durable Type 304 stainless steel, an optimal mix of nickel and chromium, making our sinkware exceptionally resistant to corrosion and stains for the life of the product. It provides a hygienic, scratch-resistant and resilient surface that requires minimal care and maintenance.

Spec Plus Edge™

A beveled edge on the outer rim of select undermount sinks provides increased structural rigidity for the entire sink span and creates a smooth and finished look. SpecPlus Edge is found only in HOUZER sinks.

StoneGuard™ Undercoat Protection

A marble powder based undercoating specially formulated and applied over Super-Silencer pads. It reduces the noise of clattering dishes and running water. It also thermally insulates your sink, keeping hot soaking water hot for longer.

Super Silencer Pad

Made of natural rubber, Super-Silencer pads help reduce the noise of clattering dishes and running water. It is a common feature to all HOUZER sinks.

Mega Shield Insulation

An exclusive feature to our Novus, Bellus, Epicure and Contempo Series. This complete wrapping of rubber pad insulation ensures thermal insulation and optimal noise reduction, making them one of the quietest sinks available today.

Lifetime Warranty

HOUZER sinks are covered by an industry-leading Lifetime Warranty to the original purchaser against any possible defects in materials and workmanship. We are not satisfied unless our customers are totally satisfied with our products.

ASME A112.19.3-2000

Our **Products**

Fireclay Sinks Platus & Aspires Series

HOUZER Fireclay sinks deliver the soul-satisfying look and feel of genuine fireclay—with modern styling that

appeals to today's homeowners. HOUZER's Platus and Aspires fireclay sinks feature an apron front design that is available in multiple color options. Each one is high-fired at 2200° F creating a glossy, durable surface that is resistant to stains, chips, cracks and scratches.

Granite Sinks Quartztone Series

HOUZER's Quartztone granite sinks represent the leading edge of sink design. Formulated with 80% quartz and 20% high-grade acrylic, they are three times harder than natural granite. Unique in the sink industry, this material supports fresh design directions and engineering techniques that other materials don't. HOUZER Quartztone granite sinks come in five forward-facing colors and styles.

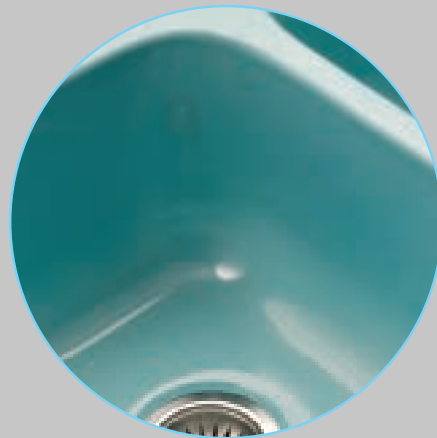

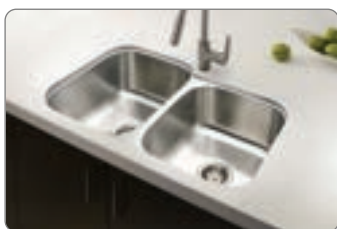

Stainless Steel Sinks

16 Unique Collections

HOUZER stainless steel sinks are a mainstay of smart, stylish homes everywhere. HOUZER's line features 16 collections—over 100 different models in all—to complement kitchen designs ranging from ultra modern to classical. HOUZER stainless steel sinks are made of premium T-304 Stainless Steel. They feature performance innovations like Spec Plus™ Edge for added strength

as well as sound absorbing features like StoneGuard™ undercoat protection over Super Silencer™ pad.

Porcelain Enamel Steel

Porcela Series

The sinks of HOUZER's Porcela series feature porcelain enamel steel sinks with an innovative twist of material. Their lighter, resilient 16 gauge steel core makes them a lightweight alternative to heavy cast iron sinks. Porcela enables designers to consider porcelain enamel where they couldn't before and the four distinctive colors open up a world of options to complement any design.

Striving to implement a safe and
efficient packing system

Styrofoam

It is the most commonly used buffer material for protecting stainless steel sinks.

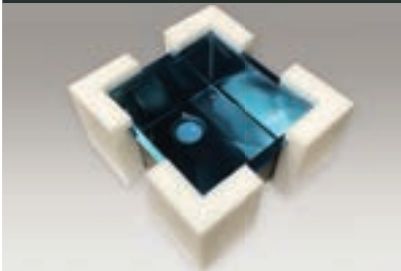

Sealed Air

It is molded on the spot, is very safe, and has the best performance with a firm seal.

Power Hard Board

It is the best lightweight material that can withstand very large weights.

Poly Ethylene

Suitable for absorbing external shocks and especially protecting flat edges.

Bubble Bag

It has the function of easily protecting various accessories.

Air Bubble Sheets

As a universal material, it is mainly used for bottom grids and accessory packaging.

Professional Volume Discount

Quantity Purchase Benefits

Reduce packaging waste and save money.

5/10 Packs & Nested Pallet Quantities

A variety of stainless steel sinks available

Great for multi-unit projects

Great for apartments, and countertop fabricators.

The Houzer Professional Volume Discount Program is designed to provide added value for large-scale commercial projects. Our collections include a variety of nested sink options, such as palletized sets, convenient 5- and 10-pack boxed sinks, and combo packs that include essential accessories. These volume packs are ideal for multi-unit installations, making them a perfect fit for apartment developments, commercial properties, and large renovation projects—offering both cost savings and streamlined logistics.

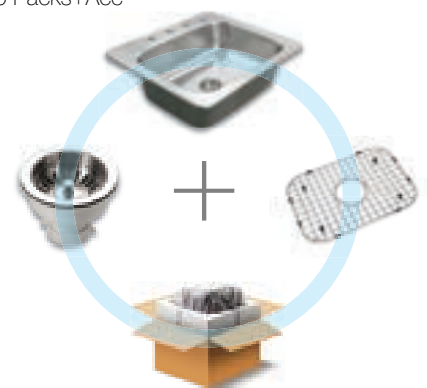

Nested Pallet

How to select the ideal sink for your needs.

Your Kitchen Style

Start by asking yourself whether your kitchen is traditional, contemporary, transitional or rustic. Then determine the shape, size and features that will best suit your everyday needs and style of living. HOUZER sink designs vary with each product family, so you're sure to find one that's just right for your kitchen, lavatory or prep area.

Material

HOUZER sinks are available in stainless steel, porcelain enamel, fireclay, and granite. Each material has its own performance features and distinct look. Learn the benefits of each one in our materials section.

Check Your Measurements

Choose the right sink to fit your cabinet. Sinks measurements and cabinets they will fit may be found with each sink shown in this catalog.

Installation Styles

Undermount sinks are best for stone or solid surface countertops. They are mounted from the underside of the counter, leaving a zero-barrier counter surface to sweep scraps and crumbs into the sink. Topmount sinks are best if your countertop is a laminate with a pressed-wood core. They're also good with solid surface countertops. With topmounts, the sink's bowl drops into a hole in the countertop and rests on the perimeter.

Number of Bowls

How will you be using your sink? A serious home-chef may want several deep, large bowls to accommodate stockpots and roasting pans. If you'll be using your sink primarily for rinsing dishes, a single bowl of moderate depth will suffice. When in doubt, a large, deep single bowl is the best choice.

Depth of Bowls

Deeper bowls in the 9" range will accommodate large pots and allow you to thaw larger food items. Deeper bowls also mean less splashing. Shallow bowls down to 5" are ideal for food preparation and will also accommodate a garbage disposer.

Prep Sink

A well-placed prep sink in a busy kitchen can noticeably improve flow and efficiency and can also double as a bar-sink in other areas of the house. Prep sinks of various depths and shapes can be found built-in on many HOUZER models or purchased separately for other locations like a countertop island.

190-9180 AC	3-1/2" Basket Strainer in Antique Copper	Fits Sinks with 3-1/2" Drain Opening
190-9180 BB	3-1/2" Basket Strainer in Brushed Brass	Fits Sinks with 3-1/2" Drain Opening
190-9180 GR	3-1/2" Basket Strainer in Graphite	Fits Sinks with 3-1/2" Drain Opening
190-9180 PS	3-1/2" Basket Strainer in Polished Satin	Fits Sinks with 3-1/2" Drain Opening
190-9180 PW	3-1/2" Basket Strainer in Pewter	Fits Sinks with 3-1/2" Drain Opening
190-9180 RG	3-1/2" Basket Strainer in Rose Gold	Fits Sinks with 3-1/2" Drain Opening
190-9261	3-1/2" Basket Strainer in Polar White	Fits Sinks with 3-1/2" Drain Opening
190-9264	3-1/2" Basket Strainer in Oil Rubbed Bronze	Fits Sinks with 3-1/2" Drain Opening
190-9265	3-1/2" Basket Strainer in Matte Black	Fits Sinks with 3-1/2" Drain Opening
190-9268	3-1/2" Basket Strainer in Granite Black	Fits Sinks with 3-1/2" Drain Opening

Model No.	Description	Fits sink model
190-9300	3-1/2" Stainless Steel Deep Cup Basket Strainer	Fits Sinks with 3-1/2" Drain Opening

Model No.	Description	Fits sink model
190-9400	3-1/2" Stainless Steel Pop-Up Basket Strainer	Fits Sinks with 3-1/2" Drain Opening

Flange / Drain / Bottom Grids

Disposal Flanges

Model No.	Description	Fits sink model
190-9564	3-1/2" Basket Strainer in Oil Rubbed	Fits Sinks with 3-1/2" Drain Opening
190-9565	3-1/2" Basket Strainer in Matte Black	Fits Sinks with 3-1/2" Drain Opening
190-9566	3-1/2" Basket Strainer in Granite White	Fits Sinks with 3-1/2" Drain Opening
190-9567	3-1/2" Basket Strainer in Granite Bone	Fits Sinks with 3-1/2" Drain Opening

Lavatory Drain

Model No.	Size	Description	Fits sink model
FD-10	8-1/8" x 2-1/4"	6" Grid Drain	CH-1800, CHT-1800, CR-1620, CRT-1620
OD-10	7-3/4" x 2-1/4"	6" Overflow assembly	CHO-1800, CHTO-1800, CRO-1620, CRTO-1620

Prices

Prices and specifications are subject to change without notice.

Invoices

Orders are processed with credit agreement on file and invoiced at the current price the day the order is received. Acknowledgement of order is faxed or e-mailed to customer prior to shipping.

Freight

All orders are F.O.B. within contiguous US 48 states, unless otherwise noted.

A one time \$10.00 handling charge per order transaction applies to all F.O.B. sink orders.

All orders with an invoice value of \$2,500.00 or more shipped F.F.A.(Full Freight Allowed)

Payments

All payments are due net 30 days from invoice date with approved credit. A finance charge of 1.5% per month, or 18% per year will be added to all accounts 30 days past invoice date.

Taxes

Federal, state, or local taxes, where applicable, will be added to invoices.

Claims

Any damages, missing, or shortages must be reported to the carrier for claim. Hidden shortage claims must be reported to HOUZER within 3 days of receipt of goods.

Returns

All returns must have an accompanying Returned Goods Authorization (RGA), authorized by HOUZER. A copy of the invoice and reason for return must be supplied prior to authorization. All items must be in original packaging and in saleable condition. Returns should be sent within 30 days of authorization, Freight Prepaid by sender; sender assumes all responsibility for damages that may occur. 30% restocking fee applies to all authorized, non-warranted returns, if returned within 60 days. Any returns after this period shall be subject to a 50% restocking fee. Credit will be issued after receipt of merchandise in original packaging and subject to re-saleable condition. No product shall be returned after 180 days. Replacement shipments for non-defective returns such as buyers remorse are subject to incur normal freight charges, FOB.

Lifetime Limited Warranty

HOUZER sinks are produced to the highest manufacturing standards. Every item in the line is covered by a limited warranty to the original purchaser against defects in materials and workmanship as follows:
Eston and Porcela series: 10 years
All other Houzer Sinks : Lifetime Limited
All Houzer Accessories : 1 year
To obtain service under warranty, please contact HOUZER Customer Service at 800.880.3639.
Some exceptions may apply, see your local Sales Representative.

LIFETIME WARRANTY

All HOUZER sinks are produced to the highest manufacturing standards and are covered by a Lifetime Limited Warranty (10-year for Eston and Porcela series, lifetime warranty Quartztone series) that protects the original purchaser against any defects in materials and workmanship under normal use. If upon determination by HOUZER that the sink is defective, HOUZER will replace without charge, with an equivalent sink or credit the original purchaser, provided that it has been used in a domestic application and installed, used and maintained according to the instructions supplied with the sink, and not damaged due to abuse, misuse or negligence.

This warranty will not cover any labor charges incurred in installation, removal, replacement or repair, transportation cost or any consequential damages, which might be caused by the product.

HOUZER shall not be liable in case of;

- Improper installation or modification of original product.
- Damages resulting from abuse, such as scratches by dropping heavy objects into the sink
- Scratches resulting from scrubbing with steel wool, abrasive pads or cleaners
- Improper application such as exposure to corrosive chemicals, or photographic solutions
- Any commercial application

If the original purchaser finds a defect in material or workmanship, please contact HOUZER Warranty Service. Please include proof of purchase or sales receipt. The law in some states may expand or modify this warranty. This warranty supersedes all other warranties, expressed or implied.
